

REMARKS

The amendments to the specification correct minor and obvious typographical error. At page 39, lines 22 and 23 of the specification, “(a bisphenol A epoxy resin (solid at room temperature), manufactured by Japan Epoxy Resins Co., Ltd.)” was inadvertently added. At page 41, line 21, of the specification, the pressure should read “1 atm,” not “1 atom.” Accordingly, these minor and obvious typographical errors are being corrected.

No new matter is believed to have been added. An action on the merits and allowance of the claims is requested.
